## 1. Introduction

Newcastle Grammar School Ltd trading as Newcastle Grammar School (NGS) is listed on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). The School's CRICOS Provider Code is 02344D.

As a CRICOS provider, the School is registered to deliver Junior Secondary (Years 7-10) CRICOS course code 042217B and Senior Secondary (Years 11 and 12) CRICOS course code 042218A to overseas students. Any references in this document to the 'registered provider', 'provider' or 'School provider' means the School or the School as a CRICOS provider.

### 1.1 Purpose and Scope

This policy should be read with the School's Enrolment policy and Terms and Conditions of Enrolment. A CRICOS overseas student is a person (within or outside Australia) who holds a student visa (subclass 500). See *Appendix 1* for Glossary and *Appendix 2* for Acronyms and abbreviations. NGS does not use Education Agents.

NSW legislation includes the *Education Act 1990*.

The Commonwealth legislative framework includes:

- [Education Services for Overseas Students Act 2000](#)
- [National Code of Practice for Providers of Education and Training to Overseas Students](#)

- [Education Services for Overseas Students \(Calculation of Refund\) Specification 2014](#)

## **2. Policy**

NGS meets legislative and other regulatory requirements relating to child welfare and protection in relation to overseas students aged under 18.

NGS provides students with emergency contact information and information about how to report actual or alleged abuse.

NGS only accepts enrolments from overseas students living with a parent or relative approved by the Australian Government Department of Home Affairs. Overseas students and/or their parent/legal guardian must notify the School of any change to contact details within 7 days of the change.

The School enrolls overseas students in an ethical and responsible manner and provides information that enables students to make informed decisions about studying at the School.

## **3. Procedure for enrolling a younger overseas student**

### **3.1 Enrolling students who are under 18 years of age**

The Head of Enrolments will ensure overseas students under 18 years of age are given age- and-culturally-appropriate information during an induction visit to the School and as part of the orientation pack including:

- who to contact in emergency situations, including contact numbers of a nominated staff member and/or other service providers
- how to seek assistance and report any incident or allegation involving actual or alleged sexual, physical or other abuse.

The Head of Enrolments provides in the pre-enrolment information (available on the School website) the policy and process for approving the accommodation, support and general welfare arrangements for younger overseas students to prospective overseas students.

### **3.2 Contact details of overseas student and parent/legal guardian**

Every six months during an overseas student's enrolment, the Head of Enrolments will contact the parent/legal guardian for up-to-date contact details, including:

- the overseas student's current residential address, mobile number (if any) and email address (if any)
- contact details of the overseas student's parent/legal guardian or any adult responsible for overseas student's welfare
- who to contact in emergency situations.

The Head of Enrolments will enter updated details into TASS and PRISMS.

The Head of Enrolments will maintain a record of all correspondence in each overseas student's file.

### **3.3 Accommodation options for overseas students under 18 years of age**

NGS only accepts overseas students who live with a DHA approved parent or relative.

### **3.4 Concerns about or disruption to accommodation and/or welfare for overseas students**

If NGS enrolls an overseas student under 18 years of age who has welfare arrangements approved by another CRICOS School provider, as the receiving provider the Head of Enrolments will implement the Overseas Student Transfer Policy and Procedures.

The School's Critical Incident Policy includes the processes for managing emergency situations for overseas students and/or when welfare arrangements are disrupted for overseas students under 18 years of age.

If a concern arises about the accommodation or welfare of an overseas student under 18 years of age, other policies and procedures will apply such as:

- Child Protection Policy and Procedures
- Child Safe Policy
- Attendance Policy

If staff are unable to contact a student and have concerns for the student's welfare, the Deputy Head of School – Wellbeing and School Life will make all reasonable efforts to locate the overseas student, including by phone and email. The Deputy Head of School – Wellbeing and School Life will notify the police and any other relevant government agencies as soon as practicable. All other relevant policies including Critical Incident Policy and Child Protection Policy will be implemented.

The Deputy Head of School – Wellbeing and School Life will maintain all records related to the incident in the student's file.

#### **4. Monitoring the living arrangements of overseas students living with a parent or DHA approved relative**

The Deputy Head of School – Wellbeing and School Life monitors the living arrangements of overseas students living with a parent or DHA approved relative.

Monitoring will take place at regular 6 month intervals and in the form of either:

- a meeting at the School or at parent teacher evenings;
- phone call;
- email; or,
- meeting with the overseas student.

The Head of Enrolments maintains records of monitoring accommodation and welfare in each overseas student's file.

If a concern arises, other policies such as Child Protection or Critical Incident Policy will be implemented as relevant to the concern.

#### **5. Health Insurance**

All student visa holders are required to have Overseas Student Health Cover (OSHC) which must commence from the date you arrive in Australia on a student visa and must be in effect until you leave Australia or transfer to a non-student visa.

<b>Compulsory study period</b>	A compulsory study period is one in which the student must enrol unless granted a deferment or suspension from enrolment or leave of absence under National Code Standard 9 (Deferring, suspending or cancelling the student’s enrolment). A compulsory study period does not include periods in which the student can elect to undertake additional studies. See also ‘Study period’.
<b>Confirmation of Enrolment (CoE)</b>	A document, provided electronically, that the registered provider issues to intending overseas students and which must accompany their application for a student visa. <b>Designated State Authority</b>	As defined by section 5 of the ESOS Act, means a person responsible under the law of a state for approving providers to provide courses to overseas students in that state.
<b>Distance learning</b>	Study in which the teacher and overseas student are separated in time or space throughout the duration of the unit of study (including online learning), but does not include study where the student is resident in his or her home country or another country offshore and does not hold a student visa. Distance learning differs from online learning in that the study may be undertaken through written correspondence and exchange of hard copy materials.
<b>Duration of study</b>	The time required for an overseas student to complete an approved course of study as specified in their Confirmation of Enrolment (CoE).

Registered providers may not enrol transferring students until after the first six months of the first registered School sector course except under conditions indicated in 3.10 of the Guidelines.
<b>Tuition Protection Service (TPS)</b>	A system introduced in 2012 to ensure that overseas students receive the course they have paid for. If a provider is unable to meet its teaching obligations to a student (for any reason whatever) one of the other providers in the scheme may take over teaching the student or the student may be reimbursed for any tuition fees already paid. ## **1. Introduction**

Newcastle Grammar School Ltd trading as Newcastle Grammar School (NGS) is listed on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). The School's CRICOS Provider Code is 02344D.

As a CRICOS provider, the School is registered to deliver Junior Secondary (Years 7-10) CRICOS course code 042217B and Senior Secondary (Years 11 and 12) CRICOS course code 042218A to overseas students. Any references in this document to the 'registered provider', 'provider' or 'school provider' means the School or the School as a CRICOS provider.

### **3.1 Purpose and Scope**

This policy should be read with the School's Enrolment policy and Terms and Conditions of Enrolment. A CRICOS overseas student is a person (within or outside Australia) who holds a student visa (subclass 500). In this policy and procedures, the terms 'overseas student' and 'International student' mean the same thing and are used interchangeably. NGS does not use Education Agents.

## **2. Policy**

NGS recruits overseas students responsibly. NGS will ensure that prospective overseas students have appropriate educational qualifications/experience and a level of English language proficiency that will allow them to be successful in the course they apply to enrol in. All costs associated with testing are to be paid by the family/student.

The minimum levels of English language proficiency required for enrolment as an overseas student at NGS are outlined below:

For enrolment in Years 7 to 12, English language proficiency will be assessed through the Application for Enrolment process and by the Enrolments Officer in liaison with the Deputy Head of School – Learning and Teaching. If required, students will be asked to complete the Australian Education Assessment Services (AEAS) test. A minimum English language proficiency level of 70+ is considered suitable for enrolment. Students over 16 years may instead complete the International English Language Testing System (IELTS) test. The

minimum IELTS English language proficiency level required for enrolment in Years 10 to 12 is 7.0.

NGS will provide English language support for International students.

### **3. Procedure**

An application for enrolment at NGS will be considered for the Year of schooling that is appropriate for the age and previous education of the prospective overseas student.

An application for enrolment must be accompanied by School reports from the home country. NGS may require that the School reports are translated into English.

Prospective overseas students must submit the following with an application for enrolment:

- references from teachers in current School in home country
- certified copies of the passports for both the student and parent/legal guardian
- certificates for public examinations, where relevant.

The Head of School as Principal Executive Officer (PEO) or delegate may request further documentation to make a determination about English language proficiency.

If a formal English language proficiency test is requested for enrolment, the test results must be submitted in the timeframe requested.

If the Head of School decides that the prospective overseas student's previous education is not appropriate an offer of enrolment will not be made.

NGS will assess English language proficiency for Years 7 to 12 using:

- Australian Education Assessment Services AEAS test, or
- International English Language Testing System (IELTS) – students over 16 years, and/or
- an interview with the Deputy Head – Learning and Teaching and written and/or verbal assessment of English language proficiency.

An application for enrolment in Years 7 to 12 at NGS may be made without an English language proficiency test and the School may decide to make a conditional offer of enrolment. If this occurs, an English language proficiency test certificate must be provided no later than 6 months prior to the course commencement date. NGS reserves the right to cancel the conditional offer of enrolment if the test certificate is not provided within the required timeframe.

The minimum level of English language proficiency required for:

- Years 7-12 is an AEAS score of 70+
- Years 10-12 is an IELTS score of 7.0.

The Deputy Head – Learning and Teaching and the Head of School will assess a student's English language proficiency using formal test scores/interview(s) and/or requested documentation.

If a student's English language proficiency is not sufficient to be successful in a course, NGS will either:

- refuse the enrolment
- make a conditional offer of enrolment that the required level of proficiency is demonstrated prior to the commencement of the course.

The student and parent/legal guardian will be notified in writing by the Head of School if the enrolment is refused or if a conditional offer is made.

The Head of School's decision is final.

The Head of Enrolments will maintain all records relating to the assessment of English language proficiency in the overseas student's file

A CRICOS overseas student is a person (within or outside Australia) who holds a student visa (subclass 500). In this policy and procedures, the terms 'overseas student' and 'International student' mean the same thing and are used interchangeably. NGS does not use Education Agents.

## **2. Policy**

### **2.1 Attendance and course progress definitions**

NGS supports overseas students to complete their course within the required duration and to fulfil their visa requirements for course progress and attendance.

NGS monitors overseas students course progress and attendance rates.

Students are informed if they are at risk of not meeting the requirements for course progress or attendance. NGS will implement interventions to support students who have been identified as 'at risk' of not meeting requirements, always attempting to support them to improve their course progress and attendance rates.

If required, the School will report overseas students for not meeting attendance or course progress visa requirements.

Attendance requirement – overseas students must maintain a rate of at least 80% attendance as a visa requirement. A rate of less than 80% will be reported to the Australian Government for breach of visa conditions through PRISMS unless there are compelling or

compassionate circumstances. Any overseas student whose attendance rate drops to 70% or less will be reported to the Australian Government for breach of visa conditions.

Course progress requirement – at NGS a student must achieve competency in 50% or more of units in any semester of enrolment. This could be indicated by a Grade A – C in 50% or more of their units reported in the Semester 1 or 2 reporting cycle. Students who do not meet the course progress requirement will be reported to the Australian Government for breach of visa conditions through PRISMS.

## **2.2 Modes of delivery**

NGS does not use online learning as a format for course delivery, but from time to time may implement aspects of online learning to benefit learning outcomes for overseas students. If online learning is required, it will not disadvantage overseas students.

NGS does not provide online or distance learning to enrolled students.

## **2.3 Duration of study**

The expected duration of study specified in an overseas student's Confirmation of Enrolment (CoE) will not exceed the CRICOS registered duration of a course.

## **3. Procedure**

### **3.1 Communication of visa requirements for course progress and attendance to overseas students**

The Head of Enrolments provides (via the School website, the Overseas Student Handbook and the orientation pack) overseas students with information about visa requirements for course progress and attendance before they commence their course.

### **3.2 Monitoring course attendance**

Daily attendance for each student is recorded in the daily attendance register in TASS for NGS (see Attendance Policy for processes).

If an overseas student is absent for 5 consecutive days or more without prior approval the Deputy Head – Wellbeing and School Life will be notified by Student Services when it is flagged through Teacher Kiosk. Attendance rates are determined each semester during the formal reporting period and the attendance rate is noted on the overseas student's School report. The House Mentor also recognises when there are periods of absence during daily roll call and will address concerns with the student and report as necessary.

Overseas student attendance rates are reviewed by the Deputy Head – Wellbeing and School Life every term by reviewing attendance data in TASS. Records of monitoring course attendance will be filed in the overseas student's file by the Deputy Head – Wellbeing and School Life.

An overseas student is defined as 'at risk' of not meeting attendance requirements if their attendance rate is 80% or less in any one semester.

### **3.3 Triggering interventions**

If the Deputy Head – Wellbeing and School Life identifies that an overseas student is ‘at risk’, that is, their attendance rate is 80% in any one semester, interventions to improve course progress and attendance will commence (see section 3.5).

If an overseas student is absent for 5 consecutive days or more without prior approval, the Deputy Head – Wellbeing and School Life will contact the overseas student and parent/legal guardian. This absence will immediately trigger a meeting to implement an attendance intervention plan.

### **3.4 Monitoring of satisfactory course progress**

Overseas student’s course progress will be monitored and assessed by the Deputy Head – Learning and Teaching every semester.

Overseas student course progress will be monitored by one or more of the following methods:

- Reviewing academic reports
- Communication with and feedback from the overseas student’s teachers
- Reviewing assessment results
- Reviewing homework and class work

The Deputy Head – Learning and Teaching will work with the Deputy Head – Wellbeing and School Life to identify if an overseas student is ‘at risk’ of not meeting satisfactory course progress requirements as defined in this policy (see section 3.5).

Records of monitoring course progress will be filed in the overseas student’s file by the Deputy Head – Learning and Teaching.

### **3.5 Interventions to improve course progress and attendance**

If an overseas student is identified as being ‘at risk’ of not meeting course progress and/or attendance requirements the Deputy Head – Wellbeing and School Life will contact the parents/legal guardian and the overseas student to arrange a meeting.

If required, an interpreter will be available at the meeting.

Other relevant people may also be invited to the meeting such as any local guardian or other key adult to support the student and/or relevant School support services staff, Learning Support, Head of House (pastoral care) may be included.

At the meeting, the Deputy Head – Wellbeing and School Life, will coordinate the development of an intervention plan with relevant staff, the student and their parent/legal guardian, including a timeframe for review and assessment, to support the overseas student.

A record of the meeting and a copy of the intervention plan will be stored in the overseas student's file by the or the Deputy Head – Wellbeing and School Life. The student and their parent/legal guardian will be provided a copy. It will be translated if required.

The or the Deputy Head – Wellbeing and School Life and the Deputy Head – Learning and Teaching will monitor implementation of the intervention plan.

If the student's attendance/course progress improves, the or the Deputy Head – Wellbeing and School Life will determine next steps. Any continuing intervention will be recorded, communicated to the parent/legal guardian (including translation if required) and records will be stored in the overseas student's file by the or the Deputy Head – Wellbeing and School Life.

If there is no or minimal improvement the or the Deputy Head – Wellbeing and School Life will determine if the overseas student remains 'at risk' of not achieving satisfactory course progress and/or attendance requirements.

A second intervention plan may be implemented. Parents/legal guardians will be provided all communication (including translation if required) and all records placed in the overseas student's file by the or the Deputy Head – Wellbeing and School Life.

The or the Deputy Head – Wellbeing and School Life and the Deputy Head – Learning and Teaching will determine if the if the intervention plan is still required, OR if the student is determined as not meeting satisfactory course progress/attendance requirements. Timeframes for this decision will vary according to the individual intervention plan.

If the or the Deputy Head – Wellbeing and School Life and Deputy Head – Learning and Teaching determine that the student has not met course progress/attendance requirements, section 3.7 will be implemented.

### **3.6 Intervention strategies**

NGS implements a range of attendance monitoring and improvement strategies to increase engagement in School and learning.

Strategies included in an intervention plan to improve attendance/course progress may include:

- Additional help from the classroom teacher outside of class time (e.g. lunch) and/or the provision of further resources (e.g. websites, texts) that the student could consult to support their learning
- Learning support assistance through the after-School Homework Centre in the School Library
- Assistance with time management, planning, organisation and/or study skills
- Voluntary sessions with the School Psychologist
- Learning support sought through the Deputy Head – Learning and Teaching and the Learning Support staff

- Other intervention strategies as deemed necessary by the Deputy Head – Learning and Teaching

NGS will implement School policies and procedures for attendance (developed in compliance with the *NSW Registered and Accredited Individual Non-government Schools Manual*) for all overseas students as students enrolled in the School.

### **3.7 Reporting unsatisfactory course progress or unsatisfactory course attendance**

The Deputy Head – Wellbeing and School Life is responsible for reporting overseas students for unsatisfactory course progress and/or unsatisfactory course attendance in PRISMS.

The Deputy Head – Wellbeing and School Life will provide written notice to a student and their parent/legal guardian of an intention to report unsatisfactory progress and/or attendance in PRISMS **before** making a report and only **after** the above *Interventions to improve course progress and attendance* procedures have been implemented.

The written notice will include:

- a statement that NGS intends to report the overseas student for unsatisfactory course progress and/or unsatisfactory course attendance
- the reasons for the intention to report
- advice that the overseas student and the parent/legal guardian can access the School's complaints and appeals process, in accordance with National Code Standard 10, within 20 working days.

If required, communications to the parent/legal guardian will be translated.

A record of the written notice will be filed in the overseas student's file by the Deputy Head – Wellbeing and School Life

The Deputy Head – Wellbeing and School Life will only make the report unsatisfactory course progress and/or attendance in PRISMS if:

- any internal and external complaints process is complete, and the decision or recommendation supports NGS, or
- the overseas student has chosen not to access the internal complaints and appeals process within the 20-working day period, or
- the overseas student withdraws from the internal or external appeals processes by notifying the Deputy Head – Wellbeing and School Life in writing.

If the above conditions have been met, the Deputy Head – Wellbeing and School Life will make the unsatisfactory course progress/attendance report in PRISMS.

### **3.8 Compassionate or compelling circumstances**

If a student has an attendance rate of at least 70%, and compassionate or compelling circumstances exist, NGS may decide not to report an overseas student for breaching the visa attendance requirement.

The Head of School will make the decision about whether circumstances are compassionate and compelling for NGS not to report the student.

The Head of School may require documentation when deciding if a circumstance is compassionate or compelling.

Compassionate or compelling circumstances could include, but are not limited to:

- serious illness or injury, where a medical certificate states that the overseas student was unable to attend classes
- bereavement of close family members such as parents or grandparents (where possible, a death certificate should be provided)
- major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the overseas student's studies; or
- a traumatic experience, which could include:
  - involvement in, or witnessing of a serious accident; or
  - witnessing or being the victim of a serious crime, and this has impacted on the overseas student (these cases should be supported by police or psychologists' reports)

The Head of School's decision is final.

Records related to reporting attendance rates will be maintained in the overseas student's file by the Deputy Head – Wellbeing and School Life.

### **3.9 Course duration**

The Head of Enrolments reviews all CoEs at the end of each Semester to confirm alignment of CoE end date and expected completion of course date for students.

The Head of Enrolments completes reviews by checking CoE dates in PRISMS.

NGS does not generally use a pathways, accumulation or repeated Years of study program for overseas students.

Overseas students will be issued CoE dates that align with the usual length of time appropriate to the usual duration of the course for a domestic student undertaking the same course/credential at NGS. For example, for the award of the Record of School Achievement, 4 years/ for the Higher School Certificate, 2 years.

### **3.10 Allowable extensions of course duration**

NGS will not extend the duration of the overseas student's enrolment if a student is unable to complete the course within the expected duration, unless:

- there are compassionate or compelling circumstances, as assessed by the Deputy Head – Wellbeing and School Life based on demonstratable evidence, or
- the Deputy Head – Learning and Teaching has implemented, or is in the process of implementing, an intervention strategy for the overseas student because the overseas student is 'at risk' of not meeting course progress requirements, or
- an approved deferral or suspension of the overseas student's enrolment has occurred under National Code Standard 9 (Deferring, suspending or cancelling the overseas student's enrolment).

If NGS extends the duration of an overseas student's enrolment, the Head of Enrolments will advise the overseas student and parent/legal guardian in writing. ## **Appendix 1 – Information about Refunds**

### **What is a refund?**

A refund is when money that has been paid to NGS for enrolment in a course is returned to the person who signed the overseas student written agreement with NGS.

### **Who can apply for a refund?**

The person who signed the overseas student written agreement can apply for a refund from NGS.

### **How can I apply for a refund if I need one?**

A refund can be requested in writing to the Head of School via email to EA to Head of School [Kate.Grogan@ngs.nsw.edu.au](mailto:Kate.Grogan@ngs.nsw.edu.au). When a written request for a refund is submitted, the applicant will receive an email acknowledging receipt.

### **What are the reasons that I can apply for and receive a refund?**

1. If NGS defaults. A 'provider default' is when:
  - NGS failed to start delivering the course for the student at the School on the agreed starting day

OR

  - NGS was prevented from providing a course at the School because a sanction has been imposed on it under Part 6 of the *ESOS Act*

OR

  - the course ceased to be provided to the student by the School at any time after it started but before it is completed (\*except in the case of suspension or cancellation of enrolment, see *Deferring, suspending or cancelling enrolment policy*)
2. NGS defaults, and offers me another course, but I don't accept it.
3. If I don't start my course at NGS because my visa is refused.
4. If I start my course at NGS, but then my visa is cancelled or refused.
5. I withdraw from my course at NGS giving a Term's notice.
6. I transfer to a different School provider.

### **What are the reasons I can apply for a refund, but I might not be given one?**

1. If my visa is refused or cancelled because I breach the visa conditions.
2. If my visa is refused or cancelled because I don't pay NGS the required fees.

3. If I misbehave and act against NGS policies and my behaviour results in the suspension or cancellation of my enrolment.

### **How is a refund amount calculated?**

The minimum amount to be calculated for specific situations is determined by law in the *ESOS (Calculation of Refund) Specification Act 2014* NGS cannot pay any less than the amount used in this calculation in specific situations.

NGS might choose to pay more than the minimum amount in some circumstances for compassionate or compelling reasons. The Head of School will make this decision based on an application for a refund.

### **Some specific examples of how to calculate refunds are below**

#### Example 1: A refund based on visa refusal

- if the visa was refused before the overseas student starts the course, a full refund of course fees already paid minus an administrative fee of 5% or \$500 (whichever is the lesser amount) will be provided to the student.
- if the visa was refused after the overseas student started the course, a refund of course fees already paid for the part of the course after the date of the student's withdrawal will be provided to the student.

#### Example 2: A refund because there is no written agreement in place, or the written agreement is non-compliant

- the refunded amount must equal the weekly tuition fee x the weeks in default period (*section 8 of the Education Services for Overseas Students (Calculation of Refund) Specification 2014*)

#### Example 3: A refund because NGS has defaulted and a student has not accepted any alternative course offered by NGS

- the refunded amount must be the weekly tuition fee x the weeks in default period (*section 7 of the Education Services for Overseas Students (Calculation of Refund) Specification 2014*).

[\\*More examples of how to calculate refunds using the Education Services for Overseas Students \(Calculation of Refund\) Specification 2014 are available.](#)

### **What payments will or won't be refunded?**

Tuition fee refunds are based on the *Education Services for Overseas Students (Calculation of Refund) Specification 2014*. NGS may calculate refunds for other non-tuition fees such as application, administration or co-curricular fees differently and will consider administrative costs and un-spent fees in calculating refunds.

NGS will not refund enrolment application fees.

**How long does a refund take?**

If the refund is because of NGS default, the refund will be paid within 14 days of the default.

If the refund is because of student visa refusal. because a student has withdrawn from course or because of another reason, refunds will be finalised within 4 weeks of the School receiving a completed application.

**How do I get more information about refunds if I need it?**

You should read your letter of offer and Terms and Conditions of Enrolment carefully. It contains information about withdrawing from your course, the percentage of tuition fees that will be paid with certain notice periods.

If you need more details about refunds you can ask the Business Office.

## **1. Introduction**

Newcastle Grammar School Ltd trading as Newcastle Grammar School (NGS) is listed on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). The School's CRICOS Provider Code is 02344D.

As a CRICOS provider, the School is registered to deliver Junior Secondary (Years 7-10) CRICOS course code 042217B and Senior Secondary (Years 11 and 12) CRICOS course code 042218A to overseas students. Any references in this document to the 'registered provider', 'provider' or 'School provider' means the School or the School as a CRICOS provider.

### **1.1 Purpose and Scope**

This policy should be read with the School's Enrolment policy and Terms and Conditions of Enrolment. A CRICOS overseas student is a person (within or outside Australia) who holds a student visa (subclass 500). In this policy and procedures, the terms 'overseas student' and 'International student' mean the same thing and are used interchangeably. NGS does not use Education Agents.

## **2. Policy**

NGS manages the enrolment of overseas students appropriately and provides all necessary information about enrolments to the relevant government department by maintaining information in the Provider Registration and International Student Management System (PRISMS) database.

### **2.1 Definitions**

Deferral – to delay the overseas student's commencement date for a course, initiated by the student through a request to NGS prior to commencement of study on the grounds of compassionate or compelling circumstances.

Suspension – temporary suspension of study of an overseas student and putting their enrolment on hold for a defined period after the enrolment has commenced, initiated by the overseas student (on compassionate or compelling circumstances) or by NGS (due to disciplinary reasons, misbehaviour of the overseas student or a breach of course progress or attendance requirements).

Cancellation – the termination the overseas student’s enrolment in a course, may be initiated by the student or the School.

### **3. Procedure**

#### **3.1 Student initiated – deferment, suspension or cancellation**

An overseas student can request to defer the commencement of their study, suspend their study or cancel their enrolment.

To initiate any of these options the overseas student must submit a written request with supporting documentation including agreement from their parent/legal guardian if the student is under 18, to the Head of School

The Head of School or delegate may request additional documentation to assess a request.

NGS may agree to the request of the overseas student if it believes there are compassionate or compelling circumstances.

Compelling and compassionate circumstances may include, but are not limited to:

- serious illness or injury, where a medical certificate states that the overseas student was unable to attend classes
- bereavement of close family members such as parents or grandparents (where possible a death certificate should be provided)
- major political upheaval or natural disaster in the student’s home country requiring emergency travel and this has impacted on the overseas student’s studies; or
- a traumatic experience, which could include:
  - involvement in, or witnessing of a serious accident; or
  - witnessing or being the victim of a serious crime, and this has impacted on the overseas student (these cases should be supported by police or psychologists’ reports)
- if NGS was unable to offer a pre-requisite unit, or the overseas student has failed a prerequisite unit and therefore faces a shortage of relevant units for which they are eligible to enrol.

A decision about an overseas student-initiated deferment, suspension of study or cancellation of enrolment will be made by the Head of School or delegate by reviewing the documentation provided.

If an overseas student-initiated deferral, suspension or cancellation of enrolment is approved, the Head of Enrolments will advise the student and their parent/legal guardian

in writing. This will include advising the overseas student of the need to seek advice from Immigration on the potential impact on the overseas student's visa.

If an overseas student-initiated deferral, suspension or cancellation of enrolment is not approved, the Head of Enrolments will advise the student and their parent/legal guardian in writing. This will include the right to appeal through the School's internal *Complaints and appeals policy and procedure*, in accordance with National Code Standard 10, within 20 working days.

If an appeal is lodged, the *Complaints and appeals policy and procedure* will be implemented.

If a student-initiated deferral, suspension or cancellation of enrolment is approved, the Head of Enrolments will report the change in PRISMS.

### **3.2 Reasons for NGS initiated suspension of study or cancellation of enrolment**

The reasons NGS may suspend or cancel an overseas student's study may include, but are not limited to:

- misbehaviour by an overseas student
- an overseas student's failure to pay an amount due as stated in the written agreement
- a breach of course progress or attendance requirements
- significant concern for the health, safety and/or wellbeing of the overseas student

### **3.3 Assessment of NGS initiated suspension or cancellation of enrolment**

If NGS is considering a suspension or cancellation of enrolment for an overseas student, a procedurally fair process will be implemented.

The Head of School or delegate may direct the overseas student not to attend School while the process takes place.

The process will include the overseas student and the parent/legal guardian being provided all relevant information, including the reasons for the potential of suspension or cancellation. The Head of School or delegate will provide the overseas student and parent/legal guardian an opportunity to respond.

The Head of School or delegate will consider all information and make a decision as to whether the enrolment of the overseas student should be suspended or cancelled.

The Head of School or delegate will communicate the decision to the overseas student and their parent/legal guardian in writing.

If The Head of School or delegate decides to suspend study or cancel the enrolment of an overseas student the following will occur:

- the overseas student and parent/legal guardian will be informed of the decision and the reasons for the decision in writing
- the overseas student and the parent/legal guardian will be given information about the right to appeal through the *Complaints and appeals policy and procedure* within 20 working days.

If an appeal is not lodged within 20 working days, The Head of School or delegate will finalise the matter and advise the overseas student and parent/legal guardian of the finalisation in writing.

If an appeal is lodged the *Complaints and appeals policy and procedure* will be implemented.

### **3.4 Notifications in PRISMS of NGS initiated suspension or cancellation of enrolment**

The suspension or cancellation of an overseas student's enrolment under National Code Standard 9.3 cannot take effect until the School's internal complaints/appeals process is completed, unless the student's health or wellbeing, or the wellbeing of others, is likely to be at risk.

The outcome of an appeal will be communicated to the overseas student in writing by The Head of School or delegate and will ensure consistency with the School provider's *Complaints and appeals policy and procedure*. This correspondence will inform the overseas student and parent/legal guardian of the need to seek advice from Immigration on the potential impact on the overseas student's visa.

If a suspension or cancellation is initiated by NGS, and the appeals process has been completed and the decision is in the favour of NGS or no appeals process has been sought, the Head of Enrolments will report in PRISMS.

### **3.5 Refund due to student default**

The Head of Finance and Business Services will consult the *Refunds, cancellation and default policy and procedures* in the case of a suspension or cancellation of an overseas student's enrolment.

### **3.6 Records**

The Head of Enrolments will maintain all records of applications, processes, and correspondence related to a deferment, suspension of study or cancellation of enrolment in the overseas student's files.

## **2. Policy**

A complaint or grievance is an expression of dissatisfaction made to the School about an educational and/or operational matter relating to services provided by NGS, or the behaviour or decisions of a staff member, student, contractor or volunteer, including misconduct.

Complaints may be made by a student or parent/carer(s) or other members of the School community. NGS complaints resolution processes are conciliatory and non-legal. The School will seek to resolve complaints informally where possible but acknowledges that in some cases a person may wish to proceed with a formal grievance.

Issues or concerns may arise because of a misunderstanding, miscommunication, or mistake and NGS would prefer that a student first addresses an issue or concern informally.

NGS will always provide students with access to professional, timely, inexpensive processes for handling complaints and appeals, to protect overseas students' right to natural justice and procedurally fair processes.

Employees of NGS are responsible for managing the resolution of enquiries, concerns, complaints and disputes lodged by students, parent/carer(s) and members of the community. Employees will make every effort to resolve all enquiries, concerns, complaints and disputes promptly and in accordance with procedural fairness/natural justice.

The Head of School or delegate (i.e. Deputy Head of School, Head of Primary, Head of People & Culture etc.) is responsible for establishing and maintaining processes for the management and review of enquiries, concerns, complaints and disputes.

A Complaints Register is kept by the Executive Assistant to the Head of School. Complaints are reviewed regularly by the School's Executive staff.

### **3. Procedure**

An overseas student can approach any member of staff at NGS for an initial discussion at any time about an issue or concern.

If informal approaches have not worked or are not appropriate, an overseas student may wish to make a formal complaint.

Overseas Students may refer to the [Overseas Students Ombudsman](#) if they wish to have a complaint investigated externally.

Also see the School's Complaints Resolution Policy and Procedures – School Community.

#### **3.1 How to submit a formal complaint/appeal**

After following the Informal Complaints Resolution process, if a successful outcome is not achieved, the overseas student may lodge a formal complaint or appeal with the Head of School. The overseas student may submit accompanying documentation to support the complaint/appeal.

#### **3.2 Assessment of a formal complaint/appeal**

When a complaint/appeal is received, the Head of School or delegate will provide a written acknowledgement to the overseas student and parent/legal guardian. The following details or documentation will be in the acknowledgement:

- an assessment of the issues raised will commence within 10 working days of the complaint/appeal being made and the outcome will be finalised as soon as practicable
- the overseas student's enrolment will be maintained while the complaint/appeal is being assessed

- a summary of the assessment process
- the overseas student can present their case at no cost and be accompanied or assisted by a support person at any meetings
- further documentation may be requested during the assessment of the complaint/appeal
- a copy of the *Complaints and appeals policy and procedures*.

The Head of School or delegate will commence an assessment of the complaint/appeal within 10 working days of it being submitted and the outcome will be finalised as soon as practicable.

The Head of School or delegate will investigate a complaint/appeal. An investigation may include, but is not limited to, interviews and reviewing relevant documentation submitted by the overseas student or others.

The overseas student will have the opportunity to formally present their case and be accompanied by a support person in all meetings. The Head of School or delegate will explain the process to the student.

The Deputy Head – Wellbeing and School Life, the investigator, will make a recommendation to the Head of School who will decide the outcome of a complaint/appeal.

### **3.3 Communication of the decision about a complaint/appeal**

The overseas student and the parent/legal guardian will be given a written statement of the decision about the complaint/appeal, including reasons for the decision.

If the decision is not in favour of the overseas student, the Head of School will advise the overseas student and the parent/legal guardian in writing within 10 working days of concluding the investigation, of their right to access an external complaint handling and appeals process at minimal or no cost.

The contact details of the Overseas Student Ombudsman and Independent Schools NSW will be provided to the overseas student in this communication.

### **3.4 Decision in favour of the overseas student**

If the internal or any external complaints/appeal process results in a decision in favour of the overseas student and their parent/legal guardian, NGS will immediately implement the decision or recommendation.

NGS will immediately take the preventative or corrective action required by the decision and advise the overseas student and their parent/legal guardian of that action in writing.

### **3.5 Records**

Records relating to complaints, appeals, preventative or corrective actions will be stored in the overseas student's file by the Deputy Head – Wellbeing and School Life.
